Dear Sam:

On behalf of the Santa Ana Police Department, I would like to thank you for your help and assistance you provided for the 2002 Police and Fire Games. We are happy to report that after planning and hosting a variety of fundraising projects, and the week long competitions, a net proceed of \$120,000 was raised and distributed to our designated charities which included; Children's Hospital of Orange County, Orangewood Children's Foundation, Boys and Girls Clubs of Santa Ana, United Cerebral Palsy of Orange County The Santa Ana Police Department Widows and Orphans Fund, and The New York Police and Fire Departments Widow and Orphan Fund.

Your assistance at the Variety Show, which was held on Monday, April 1, 2002 attributed to the success of the 2002 Police and Fire Games and made for a memorable night for all. I have enclosed a certificate of recognition, as a small token of our appreciation.

Once again, thank you for your generosity and support of the Police & Fire Games 2002.

Sincerely,
